**SECOND STATUS REPORT OF DEFENDANT MARKUS HEITKOETTER'S AND
ADDITIONAL COUNTERCLAIM PLAINTIFF ROCKWELL TRADING SERVICES,
LLC**

Pursuant to the Case Management Plan, entered herein on February 3, 2021, Defendant Markus Heitkoetter (“Heitkoetter”) and Additional Counterclaim Plaintiff Rockwell Trading Services, LLC (“Rockwell”), hereby submit the following status report:

1. Discovery that has occurred during the reporting period.

Plaintiffs have served their first set of written discovery requests to Heitkoetter and Rockwell. Based on the settlement negotiations, the parties have agreed to extensions related to certain outstanding discovery to allow the settlement to be consummated.

2. Settlement discussions that have occurred during the reporting period.

As indicated in Plaintiff’s status report, the parties have signed an agreement. However, it is important to clarify that the settlement is contingent upon certain preconditions that have not yet occurred. To the extent the preconditions are satisfied, the parties will be filing a dismissal. To the extent the preconditions are not satisfied, the agreement will terminate and the litigation will resume.

3. Motions that have been filed during the reporting period.

No motions have been filed during this reporting period.

4. Other relevant developments during the reporting period.

Nothing further to report.

Respectfully submitted,
